## PROFILE

---

I'm an aspiring Front-end Web Developer, working as a Junior Email Developer at a digital marketing agency called StoneShot. I have recently graduated from General Assembly's Web Development course. I'm looking for an opportunity to use all my skills to the best of my ability. I want to amaze my employer with the quality of my work and positive attitude.

## EXPERIENCE

---

### Junior Email Developer

*StoneShot*

LONDON, ENGLAND

2017-08 – Present

Stoneshot is digital marketing agency that specializes in financial company's and private banks such as: HSBC, AXA, RBS, Allianz, Invesco, Fidelity etc.

At StoneShot my main responsibilities consist of: The creation of email marketing campaigns, coding and testing responsive emails and websites, coding forms using ASP and JavaScript.

### Teaching Assistant

*General Assembly*

LONDON, ENGLAND

2017-07 – 2017-08
