## PROFILE

---

I'm an aspiring Front-end Web Developer, looking for my first opportunity in the corporate world. I have recently finished college and graduated from General Assembly's Web Development course. I'm looking for an opportunity to put my learnings into practice. I want to amaze my employer with the quality of my work and positive attitude.

## EXPERIENCE

---

<b>Freelance</b>	LONDON, ENGLAND
Front-End Web Developer	2017-06 – Present

## SKILLS

---

CSS, HTML 5, JavaScript, jQuery, SASS/SCSS, Responsive Design, Version Control (Git), Standards Compliance, Accessibility, API's & Photoshop.
